## **Herbs For Other Uses**

These herbs are either not intended for internal use and are sold as incense and cosmetic use only, etc, or due to a tax office ruling attract a GST charge. These prices include GST.

### **Cured Broom Flowers**

Cytisus canariensis

Cut and Sifted Flower

#### **Serve Size:**

These have been cured with honey and matured in the same process as the Shamans of the Yaqui tribe use to activate the potent flowers for smoking use. Try them on their own or may be blended with other herbs. Not for consumption.

### **Dragons Blood Resin**

Draceano draco

Broken sap

#### **Serve Size:**

Resin incenses are the top of the line in incense burning. With the help of incense charcoals, you can release the intense fragrance of these fine resin granules -- without the dilution of a burning base or fixatives typical in man-made stick or cone incense. Power; purifying; protection; consecration; ritual energy.

### **Frankincense Granules**

Frankincense

Powdered Resin

#### **Serve Size:**

Can be burnt in an incense burner. Enhance spirituality, mental perception, meditation, prayer and consciousness, smoothes the spirit as it slows and deepens breathing.

### **Golden Seal Root Tea**

Hydrastis canadensis.

Cut and Sifted Whole Root

**Serve Size:** .5 G

VERY STRONG TEA. Use less than 1/8 teaspoon per serve. Simmer for ten minutes, sit for 10 minutes, strain and drink. Add honey or Stevia if needed.

### **Opi-8**

Chelidonium majus

Cut and Sifted Aerial Parts

**Serve Size:** 2g

Used as a smoking herb through Europe. It is favoured for its Light Opiate like effect. Enjoy in blends with other herbs like Damiana, Siberian Motherwort, Kinnik Kinnik, or any other favourite you may have.
